RE: Citizens Commission for Legislative Redistricting and Congressional Reapportionment

Dear Ann:

The Board of Commissioners took action at their public meeting on May 4, 2016 to support Capital Region Council of Governments Resolution No. 2016516-2 calling for legislative efforts to secure expeditious action of a constitutional amendment that would assign the decennial task of both legislative redistricting and congressional reapportionment to an independent citizens redistricting commission.

If we can be of any further assistance, please do not hesitate to contact me.

Sincerely,

Lou Fazekas, **ICMA-CM**
Township Manager
